OF THE
ALGAE BIOMASS ORGANIZATION

ADOPTED DECEMBER 20, 2016
AMENDED & RESTATED BYLAWS
OF THE
ALGAE BIOMASS ORGANIZATION

ARTICLE I
OFFICES

The principal office of the Algae Biomass Organization (the “Corporation”) shall be located at its principal place of business, or such other place as the Board of Directors (the “Board”) may designate. The Corporation may have such other offices as the Board may designate or as the business of the Corporation may require from time to time.

ARTICLE II
PURPOSE

The Corporation is organized exclusively as an independent trade association as set forth in the Corporation’s Articles of Incorporation. In furtherance of such purposes, the Corporation’s activities will be limited to activities permitted for a tax exempt organization under Section 501(c)(6) of the Internal Revenue Code of 1986 (or the corresponding provision of any future United States Internal Revenue Law). With the foregoing limitation, the purposes of the Corporation may include, but are not limited to, the activities and purposes set forth in the Corporation’s Articles of Incorporation.

ARTICLE III
MEMBERSHIP

3.01 Classes of Members. The Corporation will initially have two (2) classes of members to be designated “Organizational Members” and “Individual Members” (collectively, “Members”). Additional classes of members, the manner of election or appointment of each class of Members, and the qualifications and rights of each class of Members may be established by amendment to these Bylaws, or, if permitted by these Bylaws, by resolution of the Board. The Board may create additional categories of Members (e.g., diamond, platinum, gold, corporate, university, student, patron, academic, contributing, etc.) for the purpose of establishing (i) a schedule of dues that each Member of a category pays for its membership in the Corporation, and (ii) the voting power that each category will have relative to the other categories of Members consistent with Section 3.06. These additional categories will not operate as classes of membership within the meaning of the Washington Nonprofit Corporation Act, Wash. Rev. Code § 24.03.065 (or any successor provision).

3.02 Qualifications for Membership.
(a) **Organizational Members.** Any domestic or foreign for-profit or non-profit corporation, partnership, limited liability company, joint venture, trust or association that is actively and lawfully engaged in activities that support or supplement the Corporation’s purposes may become an Organizational Member of the Corporation by submitting (i) information to the Corporation identifying the name and mailing address of the Member, (ii) information identifying the person to whom mailings should be addressed and identifying the person who will exercise rights on behalf of such Organizational Member, and (iii) the appropriate dues or fees as have been established by the Board for Organizational Members. Organizational Members may have such other qualifications as the Board may prescribe by amendment to these Bylaws. The Corporation shall not admit a business entity with whom U.S. citizens or business entities domiciled in the United States are prohibited from engaging in business activities pursuant to applicable Federal law as an Organizational Member.

(b) **Individual Members.** Any person of good character who supports the stated purpose of the Corporation and who is involved in activities that express that support may become an Individual Member by submitting information to the Corporation identifying the name and mailing address of the Member, accompanied by such dues or fees as have been established by the Board for Individual Members. Individual Members may have such other qualifications as the Board may prescribe by amendment to these Bylaws.

3.03 **Dues.** Members will be required to pay annual dues in order to retain their status as Members of the Corporation. The Board will establish categories of dues applicable to Organizational Members and Individual Members, which may be revised from time to time by resolution of the Board. Notwithstanding the foregoing, or anything to the contrary in these Bylaws, the Board, or a member of the Corporation’s staff designated by the Board, may exempt any Member from dues for a period of time specified in the resolution adopted by the Board approving or ratifying such exemption.

3.04 **Termination of Membership.** Membership in the Corporation will terminate automatically, and with no further act by the Corporation: (i) upon the resignation of the person or entity holding the membership; (ii) for nonpayment of annual dues after the expiration of the grace period, if any, set by the Board; (iii) upon dissolution of the entity holding the membership (in the case of an Organizational Member), or (iv) upon death of the individual holding the membership (in the case of an Individual Member). Payment of dues at a lesser level of support from the previous year will not operate to terminate membership, provided such dues are still within the parameters set by the Board for the applicable class of membership.

3.05 **Termination or Suspension of Membership for Cause.** Membership in the Corporation may be terminated or suspended upon a good faith determination by a two-thirds vote of the Board that such termination or suspension is for good cause and based upon actions inimical to the fundamental interests or function of the Corporation. The Secretary will notify the Member by U.S. mail at least fifteen (15) days preceding the date of the Board meeting at which the final decision regarding suspension or termination for cause will be considered. The Member will have an opportunity to respond to the charges and to address the Board on these issues in writing before final action by the Board. The effective date of the suspension or termination will be no earlier than five (5) days following the meeting of the Board at which the action is taken.
3.06 Voting Rights.

(a) Entitlement to Vote; Advisory Votes. Members will be entitled to vote in any election or ratification of members of the Board (each such member of the Board, a “Director”). Membership in the Corporation does not give Members any other voting rights or control over the Corporation’s activities, including, but not limited to, a right to vote to amend the Articles of Incorporation. The Board, by resolution, may seek an advisory vote of the Members on any issue coming before the Board. The resolution for any advisory vote shall set forth: (i) the text of the issue or question on which the Members are voting; (ii) the method of voting; (iii) a timeframe by which Members shall have the opportunity to cast their votes; and (iv) a record date for those Members eligible to participate in such advisory vote. Advisory votes shall not be binding upon the Board.

(b) Allocation of Voting Power. The Board may, by resolution, determine the number of votes that each category of members, as established pursuant to Section 3.03, is entitled to cast in any election or ratification of Directors or in any advisory vote; provided, however, all Members of the same dues category shall be allocated the same number of votes. Relative voting power between categories shall generally correspond to the amount of dues for each membership category but need not be exactly relative.

(c) Cumulative Voting for Directors. Every Member entitled to vote in an election or ratification of Directors shall have the right to cumulate his/her vote(s), the number of which shall be determined pursuant to Section 3.06(b), and to give one candidate a number of votes equal to his or her vote(s) multiplied by the number of Directors to be elected, or by distributing such votes on the same principle among any number of such candidates. If the Board submits a slate of Director candidates to the Members pursuant to Section 4.05(e) for ratification by the Members, the Members shall have the right to cumulate his/her vote(s) for purposes of ratifying, or declining to ratify, the slate of Director candidates proposed by the Board. The process for electing Directors is set forth in Section 4.05.

(d) Election of Directors. Unless otherwise determined by the Board, the election of Directors (or ratification of a slate of Directors proposed by the Board) by the Members will be conducted by mail ballot in accordance with the procedures set forth in Article 4 of these Bylaws or at a meeting called by the Board pursuant to Sections 3.07 through 3.11. Ballots may be sent to Members by electronic mail or other electronic media, and the election of Directors conducted by any electronic means that the Directors or officers of the corporation deems secure and accurate.

3.07 Annual Meeting. The Board will set the date, time and place of the regular annual meeting of the Members.

3.08 Special Meetings. The President, the Board, or not less than one-twentieth (1/20th) of the Members entitled to vote at such meeting, if any, may call special meetings of the Members for any purpose.

3.09 Place of Meetings. All meetings of Members will be held at the principal office of the Corporation or at such other place within or without the State of Washington designated
by the President, the Board, by the Members entitled to call a meeting of Members, or by a waiver of notice signed by all Members entitled to vote at the meeting.

3.10 Notice of Annual Meetings. The President, the Secretary, or the Board will cause to be delivered to each Member entitled to notice of or to vote at a meeting, either personally, by postal mail or by electronic mail pursuant to the Washington Nonprofit Corporation Act, Wash. Rev. Code § 24.03.009 if such member has consented to the receipt of electronic notice, not less than ten (10) nor more than fifty (50) days before the meeting, written notice stating the place, date and time of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called. At any time, upon the written request of not less than one-twentieth (1/20th) of the Members entitled to vote at the meeting, it will be the duty of the Secretary to give notice of a special meeting of the Members to be held at such date, time and place as the Secretary may fix, not less than ten (10) nor more than thirty-five (35) days after receipt of such written request, and if the Secretary will neglect or refuse to issue such notice, the person or persons making the request may do so and may fix the date, time and place for such meeting. If such notice is mailed, it will be deemed delivered when deposited in the official government mail properly addressed to the Member at his or her address as it appears on the records of the Corporation with postage thereon prepaid.

3.11 Waiver of Notice. Whenever any notice is required to be given to any Member under the provisions of these Bylaws, the Articles of Incorporation or applicable Washington law, a waiver thereof in writing, signed by the person or persons entitled to such notice, whether before or after the time stated therein, will be deemed equivalent to the giving of such notice.

3.12 Quorum. One-tenth (1/10th) of the members of the Corporation entitled to vote, represented in person or by proxy, will constitute a quorum at a meeting of the Members. If less than a quorum of the Members entitled to vote is represented at a meeting, a majority of the Members so represented may adjourn the meeting from time to time without further notice. The foregoing quorum requirement shall not apply to an election of Directors, or a ratification of a slate of Directors proposed by the Board, if such election or ratification occurs by mail or electronic transmission rather than at a meeting of the Members.

3.13 Manner of Acting. Except in the case of the election of Directors, in which case Sections 3.06 and 4.05 will govern, or in the case of an advisory vote pursuant to Section 3.06(a) if the Board has specified an alternative to this Section 3.13, the vote of a majority of the votes entitled to be cast by the Members represented in person or by proxy at a meeting at which a quorum is present will be necessary for the adoption of any matter voted upon by the Members, unless a greater portion is required by applicable Washington law, the Articles of Incorporation or these Bylaws.

3.14 Proxies. A Member may vote by proxy executed in writing by the Member or by his or her attorney-in-fact. Such proxy will be filed with the Secretary of the Corporation before or at the time of the meeting. A proxy will become invalid eleven (11) months after the date of its execution unless otherwise provided in the proxy. A proxy with respect to a specific meeting will entitle the holder thereof to vote at any reconvened meeting following adjournment of such meeting but will not be valid after the final adjournment thereof.
3.15 **Action by Members Without a Meeting.** Any action which could be taken at a meeting of the Members may be taken without a meeting if a written consent setting forth the action so taken is signed by all Members entitled to vote with respect to the subject matter thereof. Such written consents may be signed in two or more counterparts, each of which will be deemed an original and all of which, taken together, will constitute one and the same document. Any such written consent will be inserted in the minute book as if it were the minutes of a meeting of the Members. No such written consent is required of Members for an election of Directors or a ratification of a slate of Directors proposed by the Board to be a valid action if such election or ratification is conducted in accordance with these Bylaws.

3.16 **Meetings by Telephone.** When conference telephone or similar communications media are made available for meetings, Members of the Corporation may participate in a meeting of Members by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time. Participation by such means will constitute presence in person at a meeting.

**ARTICLE IV**

**BOARD OF DIRECTORS**

4.01 **General Powers.** The affairs, property and interests of the Corporation will be managed by a Board of Directors.

4.02 **Number.** The Board will consist of up to nineteen (19) Directors (the “Board Maximum”), with the specific number to be set by resolution of the Board. The Board Maximum may be changed from time to time by amendment to these Bylaws, and the specific number of Directors may be changed from time to time by resolution of the Board, provided that no decrease in either of the above number shall have the effect of shortening the existing term of any incumbent Director. If the Board increases the Board Maximum or reduces the number of Board positions pursuant to this Section 4.02, the Board will ensure that the terms of Directors remain staggered such that approximately one half (1/2) of all Directors’ terms (or terms of vacant Director positions) begin and end in odd years and the remaining Directors’ terms (or terms of vacant Director positions) begin and end in even years; however, the Board, by resolution, may depart from the approximate 50-50 allocation under exigent circumstances if the Board deems it to be in the best interests of the Corporation.

4.03 **Qualifications.** Directors shall be natural persons, Members of the Corporation (either Individual Members or through their employing Organizational Members), and shall comply with any duly established conflict of interest policy established by the Board. Directors may serve concurrently as officers of the Corporation but may not concurrently serve as employees of the Corporation. Directors may have such other qualifications as the Board may prescribe by amendment to these Bylaws or by resolution.

4.04 **Initial Directors of the Corporation; Staggered Board.** One-half of the number of initial Directors of the Corporation will serve a term of one (1) year, and one half will serve a term of two (2) years so that the election of future Directors will be staggered. The initial Directors of the Corporation shall determine which half of the Directors shall serve one (1) year by unanimous consent, or, if unanimous consent cannot be obtained, by a form of lottery, the
process by which shall be set forth in a resolution approved by a majority of the Directors then in
office. The initial Directors named in the Articles of Incorporation, and any successor Director,
will serve until their successors are duly elected and qualified.

4.05 Election of Directors. Successor Directors will be elected by the Membership, or
proposed by the Board and ratified by the Membership, at the end of the applicable predecessor
Directors’ terms. Each annual election of Directors, or ratification of a slate of Directors
proposed by the Board, will be conducted in accordance with the procedures set forth in this
Section 4.05 and such other supplemental procedures as may be established by the Board.

(a) Method of Election of Directors. The Board shall determine whether an
election of Directors, or ratification of the Board’s proposed slate of Directors, will occur in-
person at an annual meeting of the Members, by electronic transmission pursuant to the
Washington Nonprofit Corporation Act, Wash. Rev. Code § 24.03.085(3) (or any successor
 provision), or by mail ballot. The election or ratification will occur exclusively by one of the
foregoing methods as selected by the Board.

(b) Director Recruitment Committee Recommendations. The Director
Recruitment Committee, created pursuant to Section 4.20(g), shall recommend nominees to the
Board no later than eight (8) weeks prior to the date set for counting ballots unless another date is
established by the Board for a specific year by resolution; provided, such date is sufficiently
prior to the dates set forth in Section 4.05(d) or 4.05(e) for mailing ballots. The Director
Recruitment committee shall recommend to the Board a number of nominees equal to or greater
than the number of Directors to be elected in such election cycle; provided, however, the
Director Recruitment Committee may submit fewer nominees to the Board if, after at least two
(2) solicitations to the Members, a sufficient number of qualified Members do not express
interest by a date established by the Director Recruitment Committee and set forth in such
solicitations for nominations or self-nominations.

(c) Board Nomination. After receiving the recommendations of the Director
Recruitment Committee pursuant to Section 4.05(b), the Board shall select nominees for
submission to the Members for either election or ratification (as determined in accordance with
Section 4.05(c)(2)) as Directors. The Board need not accept the Director Recruitment
Committee’s recommended nominees and may direct the Director Recruitment Committee to
reevaluate and submit a revised proposal.

(1) Number of Nominees Submitted to the Membership. The
Board shall submit to Members a number of nominees equal to or greater than the number of
open Director positions to be filled in such election cycle; however, fewer nominees may be
submitted to Members if (i) the Director Recruitment Committee submitted fewer nominees
pursuant to Section 4.05(b) and the Board is accepting the Director Recruitment Committee’s
recommendations, or (ii) if the Board is not accepting the Director Recruitment Committee’s
nominees, a sufficient number of qualified Members do not express interest by a date established
by the Board for nominations or self-nominations after at least one (1) solicitation of the Members.

(2) **Election or Ratification.** If the Board is submitting a number of nominees to the Members that is greater than the number of Director positions to be filled in such election cycle, then the Members shall, by election pursuant to Section 4.05(d), select the Directors to be appointed to the Board. If the Board is submitting a number of nominees to the Members that is equal to or less than then number of Director positions to be filled in such election cycle, then the Members shall determine whether to ratify—or not to ratify—the slate of nominees proposed by the Board pursuant to Section 4.05(e).

(3) **If Fewer Nominees than the Number of Directors are Submitted to Membership.** If the Board is submitting to Members a number of nominees less than the number of Director positions to be filled in such election cycle pursuant to Section 4.05(c)(1), then the positions not filled by ratification in accordance with Sections 4.05(c)(2) and 4.05(e) shall be deemed vacant and may be filled by the Board pursuant to Section 4.19 at any time after May 15 when the terms of such vacant positions renew. The Board may also eliminate these vacant positions consistent with Section 4.02.

(d) **Ballots for Election of Directors.** If the Board is submitting to Members a number of nominees greater than the number of Director positions to be filled in such election cycle, at least two (2) weeks (but no longer than four (4) weeks) prior to the date set for counting ballots, a written ballot shall be delivered to each Member. Each ballot shall set forth the names of the Board’s nominees and will provide an opportunity to vote for the nominees pursuant to the principles of cumulative voting set forth in Section 3.06(c), a description of which shall be included on the ballot.

(e) **Ballots for Ratification of Directors; Write-In Candidates.** If the Board is submitting to Members a number of nominees equal to or less than the number of Director positions to be filled in such election cycle, at least two (2) weeks (but no longer than four (4) weeks) prior to the date set for counting ballots, a written ballot shall be delivered to each Member. Each ballot shall: (i) set forth the names of the Board’s nominees; (ii) provide an opportunity for the Member to either approve or disapprove of the Board’s proposed slate of Director nominees; (iii) provide for the ability of the Member to propose one or more write-in candidates with the number being determined by the Board; and (iv) provide for the ability of the Member, if voting to disapprove of the Board’s proposed slate of Director nominees, to explain the reason or reasons for such disapproval so that the Board and Director Recruitment Committee receives feedback.

(i) If the Board submits to Members a number of nominees less than the number of Director positions to be filled in such election cycle, and if a Member is nominated as a write-in candidate by at least twenty percent (20%) of the votes cast by Members in such ratification, then such write-in candidate shall be elected to the Board.

(ii) If the Board submits to Members a number of nominees equal to the number of Director positions to be filled in such election cycle, and if a Member is nominated as a write-in candidate by at least twenty percent (20%) of the votes cast by Members in such ratification, the Board shall consider such write-in candidate when the Board fills its next vacancy pursuant to Section 4.19 and in conducting any subsequent election or ratification process pursuant to Section 4.05, including any conduct of a new election or ratification process.
pursuant to this Section 4.05 if the Board’s proposed slate of nominees is disapproved pursuant to Section 4.05(g).

(f) **Quorum for Electing Directors.** If the election occurs at a meeting of the Members, the election of any nominee as a Director pursuant to this Section 4.05 shall be valid only after a number of Members (or their designated proxies appointed pursuant to Section 3.14) have cast ballots constituting a quorum pursuant to Section 3.12. There shall be no quorum requirements for elections or ratifications conducted by mail or electronic transmission.

(g) **Action by Members.**

(i) **Election.** In an election of Directors, the number of nominees corresponding to the number of Directors who received the most votes shall be elected as Directors.

(ii) **Ratification.** In a ratification of the Board’s proposed slate of nominees, such proposed nominees shall be deemed ratified by the Members if a majority of the votes cast by Members are to “approve” or “ratify” the Board’s proposed slate of Directors. If a majority of the votes cast by Members “disapprove” or “not to ratify” of the Board’s proposed slate of Directors, then the Board shall conduct a new election or ratification process pursuant to this Section 4.05; provided, however, the Board may omit the process outlined in Section 4.05(b) in order to accelerate election or ratification process. Directors then occupying the positions that are the subject of the ratification shall continue to hold office until their successors are elected or ratified, and duly qualified, in accordance with Section 4.06.

(h) **Commencement of Terms; Participation in Meetings.** Those newly-elected, re-elected, or ratified Directors shall take office on May 16 at which time their terms shall commence pursuant to Section 4.06. At the discretion of the Chairperson, such newly-elected Directors may be invited to participate in meetings of the Board, in a non-voting capacity, between their election or ratification (as applicable) and taking office.

(i) **Director Qualifications.** Qualifications for Directors are those established by these Bylaws, as may be supplemented from time to time by unanimous consent of the Director Recruitment Committee or by resolution of the Board.

4.06 **Term of Office.** Unless a Director dies, resigns, is removed, or is designated as an initial Director who will only serve one (1) year pursuant to Section 4.04, he or she shall hold office for a term of two (2) years. Directors may be elected for successive terms, subject to any restrictions or limitations adopted by resolution of the Board regarding the number of consecutive terms a Director may serve. A Director shall hold office until the Director’s successor shall have been selected (via election or ratification) and duly qualified pursuant to Section 4.05.

4.07 **Chairperson and Vice-Chairperson.** The Board may, using procedures adopted by resolution of the Board, elect a chairperson of the Board (the “Chairperson”), and, if a Chairperson has been elected or is serving, a vice-chairperson of the Board (the “Vice-Chairperson”). The Chairperson and Vice-Chairperson shall be Directors at all times while servings as the Chairperson and Vice-Chairperson. The duties, terms, resignation, removal, and
any other matter relating to these offices shall be established and governed by a resolution adopted by the Board.

4.08 **Regular Meetings; Notice.** Regular meetings of the Board will be held each calendar quarter. By resolution, the Board may specify the date, time and place for the holding of regular meetings without other notice than such resolution. In the absence of such resolution, notice of the time and place of each regular meeting shall be given to a Director not less than five (5) days before the scheduled date of the meeting. Notice of a regular meeting will be deemed to be given if: (i) delivered personally by hand, by courier or by telephone; (ii) sent by United States first-class mail, postage prepaid; (iii) sent by facsimile; or (iv) sent by electronic mail pursuant to the Washington Nonprofit Corporation Act, Wash. Rev. Code § 24.03.009 if such Director has consented to the receipt of electronic notice; with such notice being directed to each Director at that Director’s address, telephone number, facsimile number or electronic mail address, as the case may be, as shown on the Corporations records.

4.09 **Special Meetings; Notice.** Special meetings of the Board or any committee designated and appointed by the Board may be called by or at the written request of the President, the Secretary or any two (2) Directors, or, in the case of a committee meeting, by the chairman of the committee. The person or persons authorized to call special meetings may fix any place either with or without the State of Washington as the place for holding any special Board or committee meeting called by them. Notice of the time and place of special Board or committee meetings shall be: (i) delivered personally by hand, by courier or by telephone; (ii) sent by United States first-class mail, postage prepaid; (iii) sent by facsimile; or (iv) sent by electronic mail pursuant to Washington Nonprofit Corporation Act, Wash. Rev. Code § 24.03.009 if such Director has consented to the receipt of electronic notice; with such notice being directed to each Director at that Director’s address, telephone number, facsimile number or electronic mail address, as the case may be, as shown on the Corporation’s records. If the notice is sent by United States mail, it shall be deposited in the United States mail at least five (5) days before the time of the holding of the meeting, or ten (10) days before the time of the holding of the meeting in the event a Director’s address as shown on the Corporate records is an address outside of the United States. If the notice is sent by electronic mail, it shall be sent at least twenty-four (24) hours before the time of the holding of the meeting if such meeting is to be held by teleconference or at least seventy-two (72) hours before the time of the holding of the meeting if a physical location is designated for the meeting.

4.10 **Meetings by Telephone.** When conference telephone or similar communications media are made available for meetings, Members of the Board or any committee designated by the Board may participate in a meeting of such Board or committee by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time. Participation by such means shall constitute a presence in person at a meeting.

4.11 **Place of Meeting.** All meetings shall be held at the principal office of the Corporation or at such other place within or without the State of Washington designated by the Board, by any persons entitled to call a meeting or by a waiver of notice signed by all Directors.

4.12 **Waiver of Notice.**
(a) *In Writing.* Whenever any notice is required to be given to any Director under the provisions of these Bylaws, the Articles of Incorporation or applicable Washington law, a waiver thereof in the form of a record, executed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of notice.

(b) *By Attendance.* The attendance of a Director at a meeting shall constitute a waiver of notice of such meeting, except where a Director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

4.13 **Quorum.** A majority of the number of Directors then in office will constitute a quorum for the transaction of business at any Board meeting. If a quorum is not present at a meeting, a majority of the Directors present may adjourn the meeting from time to time without further notice.

4.14 **Manner of Acting.** The act of a majority of the Directors present at a meeting at which there is a quorum shall be the act of the Board, unless the vote of a greater number is required by these Bylaws, the Articles of Incorporation or applicable Washington law. The Directors present at a meeting will attempt to reach consensus before taking a vote. Votes on proposals and the election of officers may be conducted by mail or electronic transmission pursuant to the Washington Nonprofit Corporation Act, Wash. Rev. Code § 24.03.085(3) (or any successor provision). Directors voting by mail or electronic transmission are deemed present for all purposes of quorum, count of votes and percentages of total voting power present.

4.15 **Presumption of Assent.** A Director of the Corporation present at a Board meeting at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless his or her dissent or abstention is entered in the minutes of the meeting, or unless such Director files a written dissent or abstention to such action with the person acting as secretary of the meeting before the adjournment thereof, or forwards such dissent or abstention by registered mail to the Secretary of the Corporation immediately after the adjournment of the meeting. Such right to dissent or abstain shall not apply to a Director who voted in favor of such action.

4.16 **Action by Board Without a Meeting.** Any action that could be taken at a meeting of the Board may be taken without a meeting if a consent in the form of a record setting forth the action so taken is executed by each of the Directors. Such consent may be executed in two or more counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute one and the same document.

4.17 **Resignation.** Any Director may resign at any time by delivering written notice to the President or the Secretary at the registered office of the Corporation, or by giving oral or written notice at any meeting of the Directors. Any such resignation shall take effect at the time specified therein, or if the time is not specified, upon delivery thereof and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.
4.18 Removal. At a meeting of Members called expressly for that purpose, one or more Directors (including the entire Board) may be removed from office, with or without cause, by two-thirds (2/3) of the votes cast by members then entitled to vote on the election of Directors represented in person or by proxy at a meeting of the Members at which a quorum is present. A Director may also be removed by vote of two-thirds (2/3) of the Board.

4.19 Vacancies. A vacancy occurring in the Board and any directorship to be filled by reason of an increase in the authorized number of Directors may be filled by the affirmative vote of a majority of the remaining Directors, even though less than a quorum of the Board is present due to the vacancy. A Director appointed to fill a vacancy created by reason of an increase in the authorized number of Directors shall hold office for a term to be determined by the Board; provided, however, in no event shall such Director hold office for a term greater than permitted by Section 4.06, and such Director’s term shall end on a May 15. A vacancy occurring in the Board and any directorship by reason of (i) a lack of interest by the Membership in serving as a Director during the election or ratification process pursuant to Section 4.05(c)(3), (ii) a Director’s resignation pursuant to Section 4.17, or (iii) removal pursuant to Section 4.18 may be filled by the affirmative vote of a majority of the remaining Directors, even though less than a quorum of the Board is present. A Director appointed to fill a vacancy shall hold office for the unexpired term of his or her predecessor.

4.20 Board Committees. The committees set forth in this Section 4.20(a) through (h), and any committee created pursuant to Section 4.20(g), are hereafter referred to individually as a “Committee” and collectively as the “Committees”.

(a) Peer Review Committee. The Peer Review Committee shall consist of a maximum of fifteen (15) Members (or, in the case of Organizational Members, a director, officer or employee thereof), at least two (2) of which shall be Directors appointed by resolution of the Board and entitled to serve so long as they are Directors or until they resign or are removed from the Peer Review Committee pursuant to Sections 4.20(k) or (l), or such successor provisions. The purpose of the Peer Review Committee shall be to ensure that publications, articles or other documents endorsed or promoted by the Corporation as “peer reviewed” are scrutinized by experts in the relevant fields. Duties of the Peer Review Committee shall be as follows: (i) review and comment upon any and all submissions of articles to the Corporation for publication on the Corporation’s website as “peer reviewed” literature or position papers, policy reviews, or other documents commissioned by the Corporation; (ii) develop a submission process and guidelines for approving such submissions; (iii) work to encourage Members and the general public pursuing scientific research or other activities related to the algae biomass industry or the purpose of the Corporation to submit articles for peer review; (iv) recruit and approve third parties to act as peer reviewers; (v) approve any legal documents relating to the aforementioned activities; (vi) coordinate its efforts and cooperate with other Committees; and (vii) perform any other duty that the Board, by resolution adopted by a majority of Directors in office, may require consistent with the purpose of the Peer Review Committee expressed in this Section 4.20(a).

(b) Membership Development Committee. The Membership Development Committee shall consist of a maximum of seven (7) Members (or, in the case of Organizational Members, a director, officer or employee thereof), at least three (3) of which shall be Directors appointed by resolution of the Board and entitled to serve so long as they are Directors or until
they resign or are removed from the Membership Development Committee pursuant to Sections 4.20(k) or (l), or such successor provisions. Membership on the EPC shall consist of the following Members (or, in the case of an Organizational Member, a designated director, officer, employee, or representative thereof that such Organizational Member designates in writing to the Executive Director and who can thereafter be changed by written notice to the Executive Director by the Organizational Member), who will serve a term as set forth below:

(A) **Director-Members:** Three (3) Directors shall serve as members of the Executive Policy Council (each, a “**Director-Member**”), as follows: (1) the Chairperson at the time in question; (2) the Vice Chairperson at the time in question; and (3) and any other Director appointed by resolution of the Board. The then-Chairperson shall automatically succeed to his/her position as a Director-Member of the Executive Policy Council when such Director succeeds to his/her position as Chairperson pursuant to Section 4.07, without further action by the Board, and such Director-Member’s term shall expire when such Director-Member no longer serves as Chairperson. The then-Vice Chairperson shall automatically succeed to his/her position as a Director-Member of the Executive Policy Council, without further action by the Board, when such Director’s term as Vice-Chairperson of the Board commences, and such Director-Member’s term shall expire when such Director-Member no longer serves as Vice-Chairperson of the Board; provided, however, such Director-Member’s term on the Executive Policy Council shall continue given his/her succession to Chairperson pursuant to Section 4.07, unless such succession does not occur. Any Director-Member may resign or be removed from the Executive Policy Council pursuant to Sections 4.20(k) or (l), or such successor provisions; provided, however, the Director-Members who are then serving as Chairperson of the Board and Vice Chairperson of the Board shall not resign from the Executive Policy Council unless they also resign from their Chairperson and Vice Chairperson positions on the Board.

(B) **Non-Director Members:** Each Member who pays the Advocacy Assessment for a calendar year pursuant to Section 4.20(e)(ii) may, subject to appointment by resolution of the Board at a meeting of the Board following receipt of the Advocacy Assessment, have one (1) representative from such Member serve on the Executive Policy Council (each, a “**Non-Director Member**”). The payment by a Member of more than one (1) Advocacy Assessment in order to appoint more than one (1) representative to the Executive Policy Council shall be prohibited. If the Board declines to appoint a Member paying the Advocacy Assessment as a Non-Director Member of the Executive Policy Council, such Member shall be entitled to a refund of its Advocacy assessment. The board retains sole discretion as to appointment of any member as a Non-Director Member of the Executive Policy Council, and the Board shall not be required to appoint a Member to the Executive Policy Council by virtue of receipt of an Advocacy Assessment. The term for such Non-Director Members shall commence and expire as set forth in Section 4.20(o); provided, however, the term of any Non-Director Member paying the Advocacy Assessment between August 5, 2011, and December 31, 2011, shall expire on December 31, 2012. Any Non-Director Member may resign or be removed from the Executive Policy Council pursuant to Sections 4.20(k) or (l). There shall

For purposes of quorum and Committee’s manner of acting as governed by Section 4.20(q), the number of Director-Members shall be more than the three (3) as set forth in Section 4.20(e)(i)(A) and shall instead be the number of Directors in-fact serving on the Executive Policy Council at the time in question. (D) **Non-Member Advisors.** The Executive Director and the consultant or lobbyist retained by the Company shall serve as advisors to the Executive Policy Council but shall not be construed as members of the Executive Policy Council for purposes of quorum or taking actions.

(E) **Resignation and Removal.** The removal or resignation of a Non-Director Member shall not result in a vacancy on the Executive Policy Council for purposes of Section 4.20(m). Should a Director-Member that was appointed by the Board pursuant to Section 4.20(e)(i)(A) be removed or resign, the provisions of Section 4.20(m) relating to filling vacant Director positions on a Committee shall apply. Should a Director-Member that was appointed by the Board pursuant to Section 4.20(e)(i)(C) be removed or resign, such removal or resignation shall not result in a vacancy on the Executive Policy Council for purposes of Section 4.20(m).

(ii) **Advocacy Assessment.** The Board shall, by resolution, establish the amount payable by a Member for the privilege of serving as a Non-Director Member or a Director-Member pursuant to Section 4.20(e)(i)(C) of the Executive Policy Council (“Advocacy Assessment”) in any given calendar year (except the Advocacy Assessment established in calendar year 2011 shall be applicable to the remainder of calendar year 2011 and to calendar year 2012), which may be assessed as part of the annual membership dues payable by Members (whether attributable to all categories of Members established for purposes of a schedule of dues pursuant to Section 3.01, or attributable to select membership category and the Members in such category), or assessed as a payment separate from membership dues. Director-Members appointed pursuant to Section 4.20(e)(i)(A) may pay, but are not required to pay, the Advocacy Assessment, as a condition of their membership on the Executive Policy Council.

(iii) **Purpose.** The purpose of the Executive Policy Council shall be to increase public and governmental awareness of the algae biomass industry, its domestic and international benefits, barriers to growth, policies that could accelerate or enhance the realization of such benefits and mitigate or eliminate such barriers, and to generally encourage the growth of the algae biomass industry.
