

ALGAE BIOMASS SUMMIT 2017

SALT LAKE CITY • OCTOBER 29 – NOVEMBER 1

Algae Product Showcase

Reserve your spot in the product showcase today!

Application deadline is September 1, 2017!

The Algae Biomass Organization promotes the development of viable technologies and commercial markets for renewable and sustainable products derived from algae. This year's Algae Biomass Summit (ABS) in Salt Lake City, Utah, October 29-November 1, will host the Algae Product Showcase in the Exhibit Hall. The Showcase will display algae-derived products, or products containing algae based ingredients, from companies all over the world. This is a great opportunity to present your latest product to the rest of the industry -- including future investors and partners -- and to keep up to date with what is new and exciting in algae based products and ingredients.

Each entry is accompanied by product details, manufacturer's name and company information, and, if applicable, booth location on the Summit Exhibit Hall floor.

Participation in the Algae Product Showcase is \$100 for ABO members, and \$150 for non-members, and is open to ABO members and non-members; ABS 2017 attendance is not required. Please visit this site to apply:

<http://www.algaebiomasssummit.org/page/ShowcaseSubmission>

For the Showcase, you will need provide a sample of your product, no larger than 12"x12"x12" in size, and weighing no more than 5 lbs, along with a ½ page description of your company, the product you are submitting, and its impact on the algae industry. [View example summaries here.](#)

Space is limited, so apply today!

For more information, please contact: showcase@algaebiomass.org

Rules and Regulations

Selection

Due to limited space and other constraints, the Algae Product Showcase may not accept all entries. Notification of acceptance will be sent by September 15, 2017.

(see next page for more details)

Display requirements

Actual product samples are preferred, but you may also submit a large, high-resolution photo or information card with a display stand. Weight must not exceed 5 lbs. Entries must fit within a display space that is 12 inches wide, 12 inches high and 12 inches deep. Exceptions will be made on a case-by-case basis. For samples requiring special storage, please contact the Showcase coordinator at showcase@algaebiomass.org to discuss.

The display area is part of the ABS Exhibit Hall. All products must be safe for display as is; no hazardous, flammable or acutely perishable products will be accepted.

The description of your company, the product you are submitting, and its impact on the algae industry must be no more than 2000 characters (with spaces).

Shipping

You are responsible for ensuring materials arrive at the appropriate set-up time and location. If you are not attending ABS 2017, and your product has been selected for the Showcase, shipping instructions will be provided in your notification of acceptance.

Set-up

Bring your product and acceptance confirmation to the set-up location at one of the following times:

- Sunday, October 29th, between 1-4pm

Tear Down

Your product must remain in the display showcase until 10:45 am on Wednesday, November 1. Please bring your conference name badge and product showcase confirmation to claim your item. Items not claimed by 12:00pm will be thrown away.

Reserve Your Spot

Fill out the online application form here:

<http://www.algaebiomasssummit.org/page/ShowcaseSubmission>.

Application deadline is September 1, 2017.

Note: ABO does not assume any liability for loss, damage, or theft of your items.
