The Algae Biomass Organization is now accepting abstracts for speaking and poster opportunities for the **2025 Algae Biomass Summit** to be held at the Arizona State University campus in **Tempe, Arizona, October 19-21, 2025.**

DES MOINES, Iowa- The 2025 Algae Biomass Summit is now accepting abstracts for the 19th annual Algae Biomass summit, to be held at the Arizona State University campus in Tempe, Arizona on October 19-21, 2025. **The priority deadline for abstracts is May 23rd, 2025.**

Algae Biomass Organization members do receive preferential scoring when their abstracts are reviewed by the Summit planning committee. Not a member? Join today at www.algaebiomass.org.

The 2025 Algae Biomass Summit providing Student/Academic Participation Opportunities in a special collaboration with all aspects of the algae industry. This year's summit will consist of a single-track allowing for speakers to reach larger and more diverse audiences! This is your chance to share research, technology or commercial developments with the algae industry's leaders, investors, business development executives and policymakers. In addition, abstract submitters will receive special discounts to the summit. Early-bird Summit registration begins April 15th.

2025 Primary Topic Areas:

Biology
Bioproducts
Commercialization
Cultivation and Harvesting
Environmental Services
Finance and Policy
Techno Economic and Life Cycle Analyses
Other Algae Related Topics
